**Promoting the Innovation Capacity of Higher Education in Nursing during Health Services
Transition**

Almaty CNE Regional Office (KazNMU)

Our goal is to promote nursing in the Almaty region by contributing to the development and popularization of a nursing website by providing material on nursing practice, nursing education and nursing research.

Functions and activities of the regional office

1. Organization and management of the electronic platform:

- Development and maintenance of a website, making changes, solving problems that ensure the quality and level of service of the electronic platform of the DCS (website and Moodle environment)
- Development and maintenance of nursing courses on the Moodle platform
- Creation of new courses (each office of the DCS creates 3 courses in 1 year)
- User registration
- Providing instructions
- Solution of organizational and technical issues

2. Strengthening cooperation and interaction of stakeholders from nursing practice, education and research

- development of an annual plan for regional meetings, conferences on contemporary topics
- organization of regional conferences, meetings, round tables
- Development of financial and non-financial incentives for cooperation of CVCs
- Expansion of the DCSN network

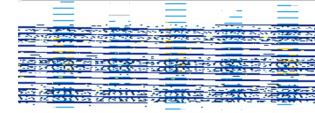

Functions and activities of the regional office

3. Collect, promote and distribute nursing materials (teaching materials, best practices, clinical guidelines for diabetes and diabetes research results)

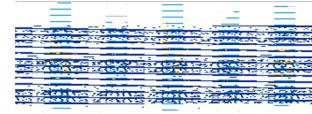

- collection of evidence-based nursing materials, posting them in the appropriate section of the CSSC website
- Providing interesting and engaging content for the website such as newsletters, blog, calendar, text updates
- Dissemination of information about the activities of the CVC through social networks, television, news, etc.
- Monitoring the effectiveness of courses implementation
- Development and placement on the DCSD of semi-annual reports on the best practice of the DC

4. Organization of consulting, expert and other types of services in nursing education, research and practice

Network/stakeholders of the regional office

- **Government representatives:** Ministry of Health
- **Educational institutions:** medical universities (2) and colleges (3), teachers, researchers, managers, etc.
- **Community of Nursing Professionals:** National and Almaty Regional Association of Nurses, Nursing Practitioners, University hospitals and Clinics and other.
- **International nursing research and educational space**

PLAN FOR THE FUTURE

- Creating courses for nurses in areas of: nursing care plans, nursing diagnoses, nursing pharmacology, nursing procedures and skills, and more.
- Conducting events: conferences on current topics in nursing

Co-funded by the
Erasmus+ Programme
of the European Union
